NORTHERN NSW FOOTBALL LAKE MACQUARIE REGIONAL FOOTBALL FACILITY

SPEERS POINT PARK, NSW

Ausmaid have been engaged by Northern NSW Football to project manage the design and delivery of their new multi-function sports and administration facility at Speers Point in NSW.

The facility, which consists of office + administration areas, seminar rooms, change rooms, storage areas and a café forms part of the larger Lake Macquarie Regional Football sports precinct development. The building will not only serve as the new regional head office for Northern NSW Football but also as the new base for elite football training in the Newcastle area.

This project is an exciting opportunity for Ausmaid and we look forward to working with Northern NSW Football in successfully delivering the project.
